## SUPERINTENDENT

To the Class of 1989,

As you take this important step from youth into the world of work, you take with you my best wishes for success.

You have prepared yourself for tomorrow by learning a trade. Make good use of the knowledge you have gained and look confidently towards the future.

# JOHN P. AVERY
# DIRECTOR

Dear Graduating Seniors:

I am pleased to have this opportunity to address you, my first graduating class at Southeastern. Although we have spent but one school year together, your influence upon the priorities I have selected to address at Southeastern has been great.

It is obvious to me that you are proud graduates of a school which is held in high esteem not only regionally, but statewide as well. I urge you to wear the Southeastern label proudly and to utilize and further develop the skills which you have acquired here during the last four years.

Best wishes and Godspeed to each of you.
